Mr. William Hillman

Dear Bill,

Many thanks for your letter. I have tried to reach you in the past two days. My boss wants you to know and wants your chief to know that he is ready to brief your chief if he so desires on the recent U-2 and other activities. He was also very appreciative of the comment that appeared in a St. Louis paper wherein H.S.T. had some good words to say for intelligence and CIA.

My best regards.

Sincerely,

MPC for
